Hi, I'm Mike Jones, the webmaster of a number of body care web sites.

I invite you to increase your share in this **billion dollar market** by becoming a BodyCare Affiliate.

It doesn't require any time, inventory, or expense!

This program is exceptional!

Here's why:

Reason #1. High demand, quality products for quick hair growth, hair loss, hair removal, ingrown hair, and nail care - ideally suited for your clientele

Reason #2. 30% commissions on your direct sales, 10% commissions from affiliates who signup through you

Reason #3. No inventory, just advertise the products to your existing customer base or attract new customers and get paid for the sales

Reason #4. Marketing is so easy with a host of excellent tools for online and offline promotions

Reason #5. Commission payments are made regularly by the 5th of each month

Reason #6. Access to a web site that really sells with a high conversion rate

Reason #7. Up to the minute statistics reports and a commission history database you can check at any time

You don't need a web site to participate!

If you have one, great! We have tools to help you generate **high sales** from your web site visitors.

If you don't have a web site, no problem. Simply distribute the product information sheets to your existing and new customers or keep a supply at your reception desk.

A web site address is printed at the end of each product sheet with your unique affiliate ID so **you get credited** with any sales!

Listen, this truly is a **win-win situation**.

First, your customers receive high quality body care solutions they will be delighted with.

Second, you receive an additional income stream.

Just take a minute to signup online using the address below.

Wishing you success!
