

"Does Your Hair Take Forever To Grow?"

Look! You Can Now
Grow Your Hair
Up To 45% Faster!

F.A.S.T. Fortified Amino Scalp Therapy

Supercharge your hair growth for maximum length in minimal time.

This **proprietary blend** of natural herbs and essential amino acids provides the basis for the ultimate in quick and healthy hair growth.

The shampoo is specifically designed to allow your hair to grow as fast as possible - up to 45% faster.

It is formulated for **all hair types** and will not affect chemically treated hair.

This **special blend** of actives along with unique extraction and manufacturing methods allows for optimum penetration of essential vitamins and amino acids for super fast growth.

Regular use infuses the hair with everything required to stimulate and maintain a **hyper-accelerated** rate of hair growth.

Most people will notice quicker growth in **3-4 weeks!**

Quicker growth will be observed **only** while the F.A.S.T. shampoo and conditioner are being used.

Your regular rate of hair growth will resume once you stop using the F.A.S.T. products.

F.A.S.T. is a **two product system** consisting of a deep cleansing stimulating shampoo and an amino acid rich conditioner.

The system is fast and easy to use:

Simply wash your hair every day with F.A.S.T. shampoo rinse well and REPEAT.

Apply the conditioner and work throughout the hair and into the roots.

Allow the conditioner to remain on the hair for 1 minute. Rinse well. If your hair requires more extensive conditioning leave on the hair 3-5 minutes then rinse well.

What Others Say

"I've grown my hair by almost an inch and a half (HUGE improvement for me!). To all you people out there looking to grow your hair...this product is the answer!"

Michele

"By the end of the bottle I noticed that my hair had grown and looks and feels much healthier.

"I am truly hooked. I will continue to use F.A.S.T. and now maybe I will get my hair trimmed more often so to give it an even more healthier look."

Marianne

F.A.S.T. is produced by **Nisim International**, leaders in the science of hair for the last 20 years!
