**Scalp Cleansing Shampoo**

The shampoo is so effective at controlling hair loss Nisim guarantees:  
"Your hair loss will be controlled within a week or your money back."

These unique, ultra deep cleansing shampoos have been specially formulated to maximize a clean and nutrient rich environment for healthy hair growth.

**Hair Stimulating Extract**

The most important step in returning your hair to its original state is the application of the highly effective natural herbal extract.

The extract is designed to maximize the natural growth cycle of your hair. For

best results we recommend that you apply the extract twice daily.

You will see visible results in three to six months.

The extract is available in **two unique formulas**: the original formula for those with oily hair and scalp; and the gel formation, with hyaluronic acid and beta glucan, is ideal for those with dry hair and scalp.

**Why You Can Feel So Confident**

Nisim International is a recognized industry leader in hair technology with **over 20 years** of research and product development.

Nisim's strength lies in its **herbal extracts**. The extractable portion of the herbs also contains complex polysaccharides along with other essential nutrients necessary to maintain and promote healthy hair regrowth.

**NewHair Biofactors®** was clinically tested through a longitudinal study with 148 male participants with varying degrees of baldness.

The **results** of this test were **exceptional**, even out-performing Nisim's own expectations.

**85.7%** of the participants had an increase in their terminal hairs of 30% or greater.

**40.8%** of the study group had an increase of 100% or greater (ie. doubling, tripling, or more).

Nisim International has backed up its clinical results with in-depth biopsy studies that show the potential mode of action of the product.
